Diploma in Multimedia Application

Summary Report:

K. K. Das College offers the value added course on “Diploma in Multimedia Application” in collaboration with 'ESS-R INFOSYS'. Our course on Diploma in Multimedia application is designed to provide the students with the necessary skills and knowledge required to develop effective multimedia applications. This program introduces students to the diverse aspects of multimedia including professional multimedia development through graphic design and DTP, packages for multimedia development, web development, 2D animation, digital audio and digital video production. Besides technical skills, students will also be guided effectively regarding, engaging the viewers of the products with the help of, creative blend of various forms of media. Students will gain the opportunity to design and develop effective multimedia systems using the latest and established software tools and techniques. Students pursuing this course will find adequate job opportunities in the entertainment industry, in government services and academia. Other career paths also include broadcasting, creative design, business and marketing.

Students will also get DTP as a bonus course with this course.

The duration of the course is 12 months (120 hours). The course is running successfully in three consecutive academic sessions 2020-21, 2021-22 and 2022-23. The course was first introduced in the year 2021 for regular students of the college. It commenced from 08.02.2021 to 24.12.2021 with total 4 students enrolled in the year. All the enrolled students successfully completed the course and were awarded the course completion certificate. In the next academic session the course started from 28.04.2022 and ended on 30.06.2023 with total 8 students enrolled in the year. After successfully completing the course, 4 were awarded the course completion certificate. In the academic session 2022-23 the course began from 15.03.2023 and still ongoing with 10 students.

Duration of the Course: 12 Months (120 Hours)
